

CURRICULUM VITAE

Mojdeh Nasiri Ahmadabadi, MD., Ph.D.

Personal Information

Contact Information

E-mail: mnasiri@ifh.rutgers.edu,
mojde1354@gmail.com

Education

2012- 2019	PhD , Epidemiology and Biostatistics <i>Michigan State University</i> East Lansing, Michigan
2004 – 2008	Cardiology Residency <i>Tehran University of Medical Sciences</i> Tehran, Iran
2000 – 2002	Internship <i>Iran University of Medical Sciences, Fatemieh University of Medical Sciences</i> Tehran, Iran, Ghom, Iran
1995 – 2002	M.D. , Medicine <i>Fatemieh University of Medical Sciences</i> Ghom, Iran

Post-Graduate Training and Appointments

June 2020- Present	Research analyst <i>Center for State Health Policy</i> <i>Rutgers Institute for Health, Health Care Policy, and Aging Research</i> New Brunswick, NJ
August 2018- Dec 2019	Stroke epidemiologist and stroke registry analyst Lifecourse Epidemiology and Genomics Division <i>Michigan Department of Health and Human Services</i> Lansing, Michigan

June 2017- August 2018	Data analyst and clinical epidemiologist Advanced heart failure center, Presbyterian hospital <i>Columbia University Medical Center</i> New York, NY
2011 – 2012	Research Scholar , Department of Cardiology <i>Michigan State University</i> East Lansing, Michigan

Academic Assignments

2015- 2017	Part time teaching, Academic support programs College of Human Medicine <i>Michigan State University</i> East Lansing, Michigan
2012- 2016	Research Assistant Department of Epidemiology and Biostatistics <i>Michigan State University</i> East Lansing, Michigan
2014-2015	Teaching Assistant Department of Epidemiology and Biostatistics <i>Michigan State University</i> East Lansing, Michigan
2011-2012	Research Assistant Department of Internal Medicine, Division of Cardiology <i>Michigan State University</i> East Lansing, Michigan
2008-2011	Cardiologist Department of Cardiovascular Medicine <i>Bahman Private Hospital</i> Tehran, Iran
2008-2011	Cardiologist Department of Nuclear Medicine <i>Jam General Hospital</i> Tehran, Iran

2009-2011	Cardiologist Department of cardiology <i>Shahid Beheshti General Hospital</i> Qom, Iran
2002-2005	General Practitioner, Outpatient and In-house practice <i>State Welfare Organization</i> Tehran, Iran

Work Experience

US Experiences

- Research analyst, Rutgers Center for State Health Policy. June 2020- Present
- Stroke epidemiologist, Stroke registry data analyst, Lifecourse Epidemiology and Genomics Division, Michigan Department of Health and Human Services. Aug 2018- Dec 2019
- Data analyst - Consulting epidemiologist, Michigan Stroke Transition Trial (MISTT), MSU. Aug 2017- March 2019
- Clinical epidemiologist, data analyst, Center for advanced heart failure, Ventricular Assist devices, and heart transplant at New York- Presbyterian, Columbia University. Jun 2017- Aug 2018
- Research Assistant - Data Analyst working with United State Medical Management. Jan 2015- Jan 2017
- Consulting epidemiologist – Study design and data analysis, Office of Attorney General, Michigan Department of Correction. Jun 2016- May 2017
- Tutoring - Office of Academic Achievement Programs, College of Human Medicine, MSU. Feb 2015- May 2017
- Teaching Assistant - Department of Epidemiology and Biostatistics, College of Human Medicine, MSU. Aug 2014- Dec 2014
- Research Assistant - Department of Epidemiology and Biostatistics, College of Human Medicine, MSU. Jan 2013- August 2014
- Research Assistant Department of Internal Medicine, Division of Cardiology, Michigan State University May 2011- August 2012

Iran Experiences

- Ghom University of Medical Sciences, Ghom, Iran. General Cardiologist, specializing in adult Cardiology, focusing on diagnosis, medical management, and prevention of cardiovascular disease in adults. 2010-2011
- Bahman General Hospital, Tehran, Iran. General Cardiologist, specializing in adult cardiology, focusing on diagnosis, medical management, and prevention of cardiovascular disease in adults. 2008-2011
- Nuclear Medicine Department, Jam General Hospital, Tehran, Iran. General Cardiologist, performing the stress phase of myocardial perfusion imaging. 2008-2011
- State Welfare Organization. Tehran, Iran. General Practitioner, Outpatient and In-house practice. 2003-2005

Faculty Positions

- Member of Executive and Scientific Committee of 17th International Congress of Iranian Heart Association. May 2011.
- Member of Executive and Scientific Committee of 16th International Congress of Iranian Heart Association. Nov 2008.

Certification and Licensure

2019	PhD. Degree in Epidemiology, USA
2008	Certified, Specialty of Cardiovascular Medicine, Iran
2008	Certified, Board of Cardiovascular Medicine, Iran
2002	Certified, Medical Doctor

-
- Member, American College of Epidemiology, 2016
 - Member, Society for Epidemiological Research, 2016
 - Member, American Heart Association, 2012
 - Member, Michigan Public Health Association, 2015
 - Member, Iranian Heart Association, 2008

- Member, Medical Council of Islamic Republic of Iran, 2002

Honors and Scholarships

- Received Graduate Office Fellowships (GOFs) for graduate students in good academic standing. Michigan State University, MI, US, 2019
- Honors of best cardiology resident, Tehran University of Medical Sciences, 2007
- Appreciation letter in the management of patients with spinal cord injury, State Welfare Organization. Tehran, Iran 2004
- Appreciation letter in the management of outpatients, and inpatients, Rofeideh Rehabilitation Hospital, Tehran, Iran 2004

Research Support

Submitted Papers

1. Mathew J. Reeves, Michele C. Fritz, Amanda T. Woodward, Anne K. Hughes, Constantinos K. Coursaris, **Mojdeh Nasiri**, Sarah J. Swierenga, Paul P. Freddolino, **Patient-level Results from The Michigan Stroke Transitions Trial (MISTT): A Randomized Clinical Trial to Improve Stroke Transitions.**
2.
